

Ask A Question

Members can use the form below (visible once you log in) to submit a question to VLCT staff.

Using this form submits a “Message” in the Municipal Access Portal (MAP). After you submit your question, you will receive a confirmation email with an Action Item # which enables you to track responses in MAP. You can track these responses and also ask questions in MAP by clicking “Messages” on the left side of your member dashboard.

The **Category** drop-down refers to your type of question, and selecting a **Topic** is very helpful too.

Legal Inquiry questions are routed directly to Municipal Assistance Center staff attorneys. They assist with question related to legal requirements and best practices for fulfilling statutory duties. Learn more about how the [legal inquiry service](#) works and its [terms of use](#)

Federal Funding questions are routed to staff who help members access new and existing [state and federal grant programs](#).

Requests for Services can also be submitted using this morning. Services include [legal review and drafting](#), [municipal law small group training](#), and [executive recruitment](#).

Note: Some members have experienced problems when using Chrome. If the form doesn't load or submit properly please try a different browser.
