

# Tell NLC About Your Area's Local Financial Empowerment Efforts

April 08, 2024

The National League of Cities is conducting a survey to better understand the financial empowerment efforts taking place in towns, cities, and villages across the country, and they want to be sure to learn about activities happening in Vermont communities! Your responses will directly inform NLC's technical assistance and shape an upcoming publication on the topic.

Please [take the survey before April 30](#).

If you have any questions about the survey, please contact Patrick Hain, NLC's Program Director of Economic Opportunity and Financial Empowerment, at [hain@nlc.org](mailto:hain@nlc.org).
